

Alley Cat Redbud

Cercis canadensis 'Alley Cat'

Category: Deciduous

Growth Rate: Average

Adaptability: Full sun to partial shade

Shape: Upright vase shaped, rounded in maturity

Size: 15-20' tall, 15-20' wide

Flowers: Pink blossoms, green and white variegated leaves

Description: 'Alley Cat' was introduced in Tennessee in 2016. Pink blossoms appear in April and attract pollinators. Leaves emerge as copper pink and soft green, and as they mature, the white variegation begins to appear.
