

# Krauters Vesuvius Purple Plum

*Prunus cerasifera 'Krauter Vesuvius'*

**Category:** Deciduous

**Growth Rate:** Medium

**Adaptability:** Full sun to part shade, prefers full sun

**Shape:** Dense, upright, rounded

**Size:** 15-25' tall, 15-25' wide

**Flower:** Fragrant pink flowers, purple leafed in full sun

**Description:** This cultivar is a very popular ornamental landscape tree because of its showy purple foliage and its profuse spring bloom of pink flowers. It is susceptible to a large number of insect and disease pests. Grow in average, medium moisture, well-drained loams.
