

Ruby Falls Redbud

Cercis canadensis 'Ruby Falls'

Category: Deciduous

Growth Rate: Moderate

Adaptability: Partial to full sun; drought and heat tolerant

Shape: Upright, rounded

Size: 15' tall, 15' wide

Flowers: Showy pink blossoms in spring

Description: Leaves of 'Ruby Falls' are heart-shaped, thick, and dark maroon. Mature plants flower heavily with strong bright pink flowers that are self-cleaning, and have a low seed set. Plant as a small specimen tree or in groups where the wine-red foliage will add dramatic color and contrast.
