

Fortune's Tea Olive

Osmanthus x fortunei

Category: Evergreen

Growth Rate: Slow

Adaptability: Prefers full sun, tolerates some shade

Shape: Columnar to oval, dense

Size: 15-20' tall, 6-10' wide

Flowers: Fragrant, small white flowers

Description: Blooms in late summer/fall and has inconspicuous flowers that have a sweet aroma. Leaves are shiny, dark green evergreen. Deer and rabbit-resistant. Utilize as in hedges and screening. Can be pruned into a small tree. Osmanthus comes from the Greek words, osme meaning fragrance, and anthos meaning flowers.
