

Sarahs Favorite Crape Myrtle

Lagerstroemia indica 'Sarahs Favorite'

Category: Deciduous

Growth Rate: Moderate to fast

Adaptability: Full sun to partial light shade

Shape: Upright, small tree

Size: 15-20' tall, 10-15' wide

Flower Color: White blooms in mid/late summer through early fall

Description: White flowers are especially showy, covering the entire plant with white clouds reminiscent of a flowering cherry. Fall color is outstanding with leaves turning yellow, orange or red.
