

YOSHINO CHERRY

Prunus x yedoensis

Description

Spring flowers are the best ornamental feature and this tree is prized for its showy bloom. Excellent medium-sized tree for lawns, along streets, adjacent to decks or patios.

Information

CATEGORY	Deciduous
GROWTH RATE	Average
ADAPTABILITY	Full sun
SHAPE	Rounded and Vase Shaped
SIZE	15-25' tall, 15-25' wide

Seasonal value

Beautiful white to light pink blossoms in early spring. The flowers develop into small, bitter fruit that are loved by birds but inedible to humans.
