

CORPORATE PARTNERSHIP OPPORTUNITIES

We invite your company to join us to **GROW** the urban forest, **PRESERVE** the canopy, and **EDUCATE** Charlotteans about the importance and value of our city's trees.

URBAN TREE BENEFITS ARE VAST AND REACH ALL RESIDENTS

Trees help cool our city, filter air and water, support wildlife, improve mental and physical well-being and more. As a defining feature of Charlotte, our tree canopy is essential to the city's identity and resilience. But we're facing a crisis—without action, we risk higher temperatures, weakened natural infrastructure, and a diminished quality of life, especially in under-canopied neighborhoods. We need your help for the future of our urban forest.

HEALTH

BEAUTY

WATER

ENERGY

CLEAN AIR

TreesCharlotte's mission is to partner with the community to plant and care for trees, growing a healthier tree canopy for everyone. Since inception, TreesCharlotte has planted or distributed over 72,000 trees, held over 725 events and engaged over 40,000 volunteers and residents.

JOIN TREESCHARLOTTE TO MAKE THESE IMPACTS THIS YEAR

Plant & give away **6,200** trees

Conduct **30** plantings at schools, neighborhoods, houses of faith, parks, greenways and nonprofits

Host **9** TreeAdoptions

Care for more than **3,000** trees as well as watering all trees planted

Teach **30** educational workshops

Distribute **2,500** seedlings

Engage **3,500** volunteers & residents

As a corporate partner, you can leave a lasting legacy on Charlotte's tree canopy and engage your employees in meaningful volunteer experiences.
